IQ Workout

We have calculated you answered *16/18* Questions correctly, giving you a total of 89%.

That's a great score! You could achieve a high IQ score if you took a Mensa Supervised IQ test.

There are a variety of reasons why people take the IQ test, many are simply curious or want to challenge themselves, others do so for university applications or CVs, as a high IQ can be beneficial, it can make you stand out as a candidate. Many of those that take the test are pleasantly surprised by their IQ score.

If you would like to obtain an accurate IQ score please click to book a - [Mensa Supervised IQ test](#) at a test centre near you.

Those that achieve an IQ score in the top 2% will be offered Mensa membership. Mensa members benefit from an exceptional programme of intellectual and social events, the informative monthly Mensa Magazine, over 100 Special Interest Groups (SIGs) to join and access to the members area of the website.
