

We appreciate the effort and time spent in carrying out the orientation test that we have placed on our website, its score has been 14 hits out of 18 possible. From this we deduce that it has possibilities to enter Mensa.

If you are interested in joining our association, you can request to take the preliminary test or the supervised test.

If you reside outside of Spain, we regret to inform you that, due to the statutes of Mensa Internacional, we are only qualified to perform the test for residents of Spain. Therefore, to enter Mensa, you must go to the Mensa Internacional website http://www.mensa.org/
